

State Licensure and Certification Disclosure

In compliance with 34 CFR 668.43, Brookline College has made a reasonable effort to determine graduate eligibility for licensure or certification in all states for programs which can lead to licensure or certification. The chart below lists programs and states where the curriculum meets licensure requirements and states where the curriculum does not meet licensure requirements. All consumers should be advised that due to the frequent changes to state statutes, rules, and regulations, Brookline College cannot guarantee licensure or certification based on the lists below.
