

Dear Brookline Students,

We hope this email finds you and yours safe and healthy. First, we'd like to welcome those of you who are new to Brookline. Congratulations and we look forward to having you as part of the family. Second, we'd like to say thank you to you all for the OUTSTANDING April term that just finished. With all the challenges we faced together over the previous 5 weeks and all the adjustments we had to make so quickly; we could not be prouder of what you accomplished. It is truly amazing.

As part of our continuing effort to maintain lines of communication we wanted to provide you an update regarding Arizona's Stay-at-Home order. On April 29th, 2020 Governor Ducey announced an extension of the [Stay-at-Home order through May 15th, 2020](#). Brookline will continue to comply with the government's recommendations while continuing to research and monitor the impact of COVID-19. While we are looking forward to seeing your smiling faces lighting up our campuses in the future, we will continue to put health and safety first.
