

Re: Diploma - Pharmacy Technician Program

Dear Student,

Brookline College has made the decision to teach out the Pharmacy Technician program at the Phoenix campus due to previous years' failed outcomes according to ABHES standards. Although the College will not be accepting any future enrollments in this program at the Phoenix location, active students will still be provided the opportunity to complete the remainder of his or her courses and graduate from the program.

Please note that if an active student fails a course or requests to take a leave of absence, he or she may not be able to complete the program at the Phoenix location during the planned teach-out period. The Program Director will contact and be available to answer any questions and provide available options and steps to complete the program.

We are committed to providing students with continued support as they progress through the program and achieve their educational goals. If you have any questions, please feel free to contact the Campus Director (Dr. Don Johnson) at DoJohnson@brooklinecollege.edu or Dr. Lenora Spicer at lspicer@brooklinecollege.edu and we will be happy to assist you.

Sincerely,

Don Johnson
Campus Director
Brookline College
